**WallSt.net ([www.wallst.net](http://www.wallst.net)) Updates the Investment Community  
Through an All-New Interview with Heritage Capital Credit Corporation**

New York—On September 20, Gwendolyn Carol Johnson, CEO of Heritage Capital Credit Corporation (OTCBB: HCPC) ([www.heritagecapitalcreditcorp.com](http://www.heritagecapitalcreditcorp.com)) updated the investment community in an all-new interview with [www.wallst.net](http://www.wallst.net). Topics covered in the interview include an overview of the company and its growth strategy, recent press releases, market opportunity, and upcoming milestones for investors to watch.

To hear the interview in its entirety, visit <http://www.wallst.net>, and click on "Interviews." The interview can be accessed either by locating the company's ticker symbol under the appropriate exchange on the top of the "Interviews" section of the site, or by entering the company's ticker symbol in the Search Archive window.

**About Heritage Capital Credit Corporation:**

The Heritage business model, which is implemented through its subsidiary, Independent Capital Credit Corporation, is to originate by packaging real proprietary assets that fit conduit lenders for funding. To date, the Company has packaged projects, which are pending funding. For these services, the company expects to receive fees from the borrowers once the projects are funded.
